MADE IN IRAN 2020

FRANCHISE

Global Innovation in Flavors & Colors – Empowering industries with smart, compact franchise solutions.

About COMPANY

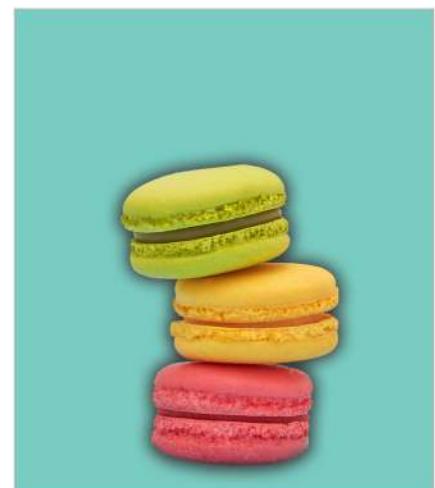

Hakim Sepehr Atiyeh Aria Company, active in the field of production, formulation, and processing of food colors and flavors under the brand name **Viltontop**, operates in a wide variety of products including liquid, powder, jelly, shining powder, oil-based forms, and chocolate – in 52 color ranges and more than 20 flavors.

Our products include colored essences, pastes, and flavored chocolates, all developed with advanced research and development systems. We play an active role in creating knowledge and technology, introducing innovative ideas, reconstructing processes, and offering new opportunities for entrepreneurship and business development.

Our Best SERVICES

We offer comprehensive services in the field of food color and flavor innovation:

- Production of food colors and flavors in various forms: liquid, powder, jelly, oil, chocolate
- 52 color ranges and 20+ distinct flavor profiles
- Custom essence production for food, cosmetics, pharmaceuticals
- Specialized R&D support for product development
- Franchise systems using portable production machines
- Business development consultancy for startups and local producers.

Meet Our **CREATIVE TEAM**

Our creative team consists of specialists in food engineering, chemistry, branding, and international business, working together to push the boundaries of color and taste in the food industry.

This dedicated R&D unit is at the core of product innovation, with a mission to improve productivity and develop tailored solutions for the confectionery, food processing, cosmetics, and pharmaceutical industries — always with a focus on health and quality.

Low Startup Risk

Our franchise model minimizes risk by offering a complete business setup.

Portable Franchise Units

Machines and systems are designed for mobility and ease of use anywhere in the world.

Full Training & Support

We provide training for production, employee organization, sales, and marketing.

Global Brand Network

Our consolidated franchise model ensures consistent quality and builds brand trust globally.
